SOAP **UP**

Wash your hands even when no one is watching…
*All the patients, every time*

- Clean hands reduce infections and protect patients
- Patients and families can help promote consistent hand hygiene
- Help each other out… remind team members to clean hands
- Know your numbers… track unit hand hygiene

>>> The HRET HIIN UP Campaign is designed to simplify safe care, streamlining interventions to improve care across several topic areas. Ask your manager for more information about the campaign and to find out more visit www.hret-hiin.org
